Cookies Policy

Last updated: March 12, 2019

Cosmos ("us", "we", or "our") uses cookies on the https://rubenayla.github.io/cosmos/ website (the "Service"). By using the Service, you consent to the use of cookies.

Our Cookies Policy explains what cookies are, how we use cookies, how third-parties we may partner with may use cookies on the Service, your choices regarding cookies and further information about cookies. This Cookies Policy for Cosmos has been created with the help of TermsFeed.

What are cookies

Cookies are small pieces of text sent by your web browser by a website you visit. A cookie file is stored in your web browser and allows the Service or a third-party to recognize you and make your next visit easier and the Service more useful to you.

Cookies can be "persistent" or "session" cookies. Persistent cookies remain on your personal computer or mobile device when you go offline, while session cookies are deleted as soon as you close your web browser.

How Cosmos uses cookies

When you use and access the Service, we may place a number of cookies files in your web browser.

We use cookies for the following purposes:

- To enable certain functions of the Service

  We use both session and persistent cookies on the Service and we use different types of cookies to run the Service:

  Essential cookies. We may use essential cookies to authenticate users and prevent fraudulent use of user accounts.

What are your choices

regarding cookies

If you'd like to delete cookies or instruct your web browser to delete or refuse cookies, please visit the help pages of your web browser. As an European citizen, under GDPR, you have certain individual rights. You can learn more about these rights in the [GDPR Guide](#).

Please note, however, that if you delete cookies or refuse to accept them, you might not be able to use all of the features we offer, you may not be able to store your preferences, and some of our pages might not display properly.
